

To all Parents/Carers

4 May 2018

Dear Parents/Carers

### **New House Names**

We are reinventing the pupils 'house' system, to replace Ennis, Farah, Agar and Simmonds, not only to be used for sports day, but across the whole of the curriculum. The new house system will be launched at the Sports Day in June.

We are asking you to participate in this by suggesting four relevant house names as possibilities. These could be historians from the Roehampton area, local sports heroes, trees that grow in the area, names of churches, etc. We would love names that would be an inspiration to the children. Use your imagination and if you have suggestions, please complete and return the slip below by Friday 25 May. Staff and pupils will vote on the best suggestion put forward.

Thank you.

Yours sincerely

Richard Woodfin
