18.3.20

Dear Parents and Carers

We have created a pack of resources for you to keep your child's learning going.

The activities are open-ended so you can repeat them using the resources provided in the packs.

We do not expect you to do everything every day but suggest you do at least one maths, reading and writing activity per day.

Please encourage your child to work in the number range that fits their abilities for the maths activities.

Thank you!

Mrs Nell.

(Please find attached your child's Mathematics username and password to continue maths online.)
